

Modern Fairy Tale

FREE CONSCIENCES

We are CONSCIENCESNESS, we are immortal, consciousness CREATES.

Imagine that CONSCIOUSNESS is the projector at the cinema, the film projected and also the cinema hall itself. Consciousness creates, projects what each of us calls our REALITY. For some, their reality is beautiful, for others it is a nightmare...

Consciousness is the energy that cannot be created or destroyed, it exists, it can only be transferred. Consciousness is directly connected to God, it was created by Him and therefore has the ability in turn to "create" - project, materialize.

A consciousness is FREE when it is in TOTAL control of what it creates, of what it projects on the screen of life, otherwise it runs a program, and it is asleep.

According to epigenetics we are controlled by genes like a computer program is controlled by codes. This is only true for people who have never had a SPIRITUAL AWAKENING, have never sought "the truth" and have never worked on themselves. This is propaganda based on Darwinism. Our genes are the basis of our expression. But they do not indicate our destiny, if we change the state of Consciousness, from sleeping consciousness we become awakened and then awake, in control of our life here, we can almost entirely change the destiny of our life. When we modify the state of awareness we re-write the codes of our DNA and the manifestation of our life is expressed based on what we consciously want... we are no longer at the mercy of genes or destiny.

To change your state of consciousness, go from sleeping CONSCIOUSNESS (victim of circumstances) to the state of FREE CONSCIOUSNESS you need to deprogram yourself.

Have you ever wondered why death and the idea of dying are so promoted in our world? By the end of this book you will understand why I call this world a simulation.

- statues of "dead" people are found everywhere;
- pyramids they say that the pharaohs were buried there and where everyone worshiped the pharaoh (sic);
- cemeteries located in cities, near schools and kindergartens (where children are vaccinated with 10 doses),
- religion only talks about death, and that real life is actually after death.

When the body dies it is buried with honors, as the man was not honored even in life. We live our entire lives preparing for death. On TV there is only news of deaths and misfortunes that lead to death such as: deadly viruses; falling asteroids that will destroy earth; movies about vampires, zombies, disasters, etc...

Why do they need to plan so much and hammer with this DEATH?

Because we ARE ETERNAL BEINGS.

When the idea of "death" is foreign to CONSCIOUSNESS - because there is no such thing - it must be continually programmed to BELIEVE that such a thing exists.

If you didn't see yourself in the mirror at all, you wouldn't even perceive that this body is you. In the movie Hypersleep (an Italian film) - the protagonist thinks he's young, since that's how he saw himself last time he looked in the mirror - and when he looks in the mirror at the age of 80 he doesn't recognize the old man in the mirror, he doesn't know it's him, it's normal. If you never looked at yourself in the mirror, and after 30 years you saw many people in the mirror (and you there) you wouldn't even know

who you are, because you would NOT identify at all with the body, with that image.

I had a big accident when I was 10 years old, I was about to be crushed by a truck that overturned together with us students (there were many of us). For years I dreamed that cars were coming towards me or that I was driving the car directly into a wall, until I got myself under control and in the dream I let the car pass me and I burst out laughing. Seeing that it didn't do anything to me, I realized what HOLOGRAM means. 🚗

I realized that it's ALL A SIMULATION (a hologram) night and day - especially dreams are often sent to make you FEAR and keep you in a BAD MOOD - LOW VIBRATION, in a contracted state of ANXIETY.

We are all connected to a source, like light bulbs.

When there is the simulation, there is also the source to which the simulation is connected.

Now on the internet there is deception everywhere = SIMULATIONS, if you see a video on the internet IT DOESN'T MEAN THAT IN REALITY that thing happened, many politicians, reporters, journalists, footballers, VIPs are BOTS holograms in videos and on TV...

Read these pages to the end, you will have a lot of resistance and overcome doubts, don't worry if at the beginning you don't understand much, you need to activate your non-linear thinking in images.

THE SOLUTION

*Any pyramid collapses if you deprive it of its foundations.

The pyramid system can easily be crumbled: you just need to understand that the power is in your hands, not in the hands of the few at the top.

The fake power of those at the top, in reality, is based on the decisions and actions of the masses, who constitute the foundations. First of all, the masses need to stop filling their bellies with junk food, and to stop letting junk information enter their minds; when we reach this point then a planetary awakening will occur, but for the moment the awakening occurs in waves: if you manage to awaken 10 people, those ten people in turn will awaken ten others, and the chain will continue until sooner or later then a majority will be formed (provided that mathematics is not an opinion!).

All this takes time and patience, with love everything will change for the better.

Are there too many of us on the planet?

There are many more ants than us, and they don't slaughter each other, they never think there are too many of them. Those who condition you to think like this actually want to inculcate LIMITS in you: it wants to condition you to remain a slave, it wants to convince you that resources run out, that we need to grit our teeth, that we have to suffer, that it is right to live in poverty and scarcity, etc.... It's not true! There are not too many of us on the planet, we have just been made stupid, we have been enslaved by a few PIGS, by people who possess immense wealth, who deprive many people of the right to live in freedom and abundance, the right to live without useless fears and without constraints, without competitions and wars.

There are not too many of us! What is "too much" is only the fact that we are "too" asleep, "too" hypnotized, "too" not awake!

There are those who argue that if the mother has had an abortion, a program to destroy children is formed in her subconscious. This program is passed on to all of her children and later these children will unconsciously remove, push away and "destroy" the men and women who could have become their wives/husbands.

Well, in this way you get a society made up of couples incapable of being together for a long time and of creating healthy families, of overcoming difficulties.

Is it clearer now why the world is going the way we see it?

The plan of the new world order, carried out successfully since the 1950s in every part of the world, wants weak individuals, without healthy roots, without faith, enslaved, scared, suffering, aggressive people, with no family and with no healthy values. More and more women forced to act as men, put to work in factories and in places where men are supposed to, and more and more men become sissies (gay). The proportion is 1 to 3, that is, for every woman who lives in male polarity, who has become masculinized, forced to be a man, another 3 males enter roles where they are in female polarity (they behave like women and choose to do typical female professions). This energetic ratio is well known by world rulers, those who use various manipulative strategies to "keep humans in VICTIM mode".

The various gurus, starting from the diabolical Osho, preached "sexual freedom" and led the sheep to the most unclean practices imaginable. All to lower the self-esteem of the human and take him on the broad path of the Destruction of the Soul. They legalized the killing of babies and called it the "right to have an abortion." They wage wars and call them "peacekeeping missions". They have legalized alcohol, smoking, drugs, prostitution and

the pornographic industry, they have legalized all possible and imaginable vices and removed from human habit every VIRTUE that leads to WELL-BEING, HARMONY, HEALTHY VALUES.

Most people live their lives feeling internally like a boat without a compass. They don't know which direction is, they go where the wind blows and are at the mercy of events and time. Any pirate can easily take them without even having to fight, just use lies and promises with them and they will trust you blindly.

The human being has been held in slavery by few, with the same strategy: DIVIDIT ET IMPERA, WEAKEN THE MASSES WITH 3 SIMPLE BELIEFS, they must feel:

- SCARED AND ANGRY
- GUILTY
- SHAMEFUL, ASHAMED

“If YOU DON'T GET VACCINATED, you must feel GUILTY because YOU ARE DANGEROUS to the lives of others” – colossal bullshit that many still believe.

“If YOU DON'T GO TO VOTE, you must feel guilty because YOU ARE NOT DELEGATING your power to the Freemasons.”

And then there is gullibility due to ignorance, the masses are constantly MAINTAINED in ignorance and believe in FAIRY TALES that the same puppets and gatekeepers INTENTIONALLY tell.

This world based on rules made by the few Freemasons in their favor must collapse. And it will collapse sooner or later, it depends on us, how much we are still willing to SUFFER INJUSTICES and maintain this old rot. (voting, right now, for me means maintaining all this).

We all have the responsibility to create NEW RULES and NEW WORKING MODELS, starting from the education system, in schools, healthcare, economics and all other sectors. If we wait for others to do it, we behave like adults who are children waiting for their parents for food. A mature adult is responsible, he does not act without evaluating and taking responsibility. What benefits does the person who remains in the role of victim and retains the gift of stupidity have?

How many believe in the existence of the "LABORATORY CREATED VIRUS"???

“We will know our disinformation program is complete when everything the American public believes is false.” - [William Casey, CFR member and former CIA director from first personal meeting in 1981]

PARASITES - UNTIL WE STOP PUTTING AND KEEPING THEM ON PEDESTALS AND SEEING THEM AS SUPERHEROES, WE REMAIN THEIR SLAVES.

The only ones who can really annoy the mafia which controls the world are the masses, the people, certainly not the characters created ad hoc to keep the people ignorant and subjugated.

Until people learn to say NO and be Responsible, the destiny is to suffer. The moment we say NO to MANY, change for the better can begin. We are still at the point where the infiltrators lead the many. And if any of us dares to show them that they are after GUARD DOGS they will take it out on us.

You don't get out of slavery by celebrating and worshiping your master!

To celebrate the life of a super mega multi-billionaire, or a nobleman, false messiahs, kings and princesses, freemasons, prelates, is to celebrate the parasites - the defenders of privilege and inequality, who claim to be superior to others for the sake of family, religious, cultural or more... Celebrating or esteeming this rabble means celebrating the social parasites who live on the backs of others without ever working, dedicated to the most idle and ignoble pastimes.

The gatekeeper characters who praise someone like Trump, or Elon Musk, Pope Francis, the Dalai Lama, Princess Diana, Queen Elizabeth or many other fake opponents, still favor slavery.

The clique of nostalgic esoteric clerical reactionaries and proponents of disturbing theories such as those of Q - Z etc... irrational and authoritarian obscurantist beliefs are identical, if not worse than the same mainstream system that PROGRAMS BRAINS TO TERROR, OBEDIENCE, SLAVERY.

To create a NEW WORLD it is IMPORTANT to remember who we are, to remember that we are all CHILDREN OF THE SAME CREATOR.

It's important to put an end to ATTITUDES WHERE WE HURT EACH OTHER!!! IT'S URGENT!!!

STOP BELIEVING YOURSELF SUPERIOR OR LOWER THAN OTHERS, put an end to competitions and wars.

We need to START RESPECTING EACH OTHER, stop exploiting each other and submitting to each other. Start creating new healthy habits based on mutual love, that is, without fears. Let's create a world where LOVE REIGNS and where there is no longer room for fear and suffering.

Speaking of information...Many people shit themselves when it comes to discovering the TRUTH.

Many say that there is nothing left to fear, but believe me, this is not the case. Now I will write something and take it as a fantasy – a MODERN FAIRY TALE.

What if I wrote that we must never die from diseases, which make us sick from the moment we are born and we are born extremely sick, and we live too few very sick years and die too early?

What does it mean that the brain is NOT functioning at 95%? What does it mean that only 5% work?...

But we think it's normal... Why?...

Our soul energy is equivalent in power to several atomic bombs. And they use it.

Who? The parasites ... THE OCCUPANCING PARASITES that have deceived and enslaved us.

What if I told you that if we can't free ourselves until we die, we won't have a chance after that? And the torment kids go through with adreno/chrome is nothing compared to what we will go through endlessly after this. What if you knew that our ancestors created the earth and the entire universe and occupied us with parasites, and as great creators we ended up being used for meat, enzymes and energy worse than sheep?....

What if I told you that all ALIENS are HOLOGRAMS, DEMONS, they are projected by PARASITES - THE TRUE DOMINATORS OF THIS PLANET, all parasites have NO VITAL ENERGY TO EXIST and use ours.

What if I told you that PARASITES have only one power?

The lies!

What if I told you that OUR CONSCIENCE can and must burn them instantly if it wants?

They use deception and present themselves to US here as THEY WANT, THEY CAN PROJECT ANY HOLOGRAM, GODS, ASCENDED MASTERS, SAINTS, ANGELS, GOOD ALIENS, GALACTIC SAVIORS and they ask to be deified, adored, accepted, invoked. What if I told you that ALL ALIENS AND

ANGELS ARE DEMONS!?!? Everyone!!! All are just deception tools of parasites.

Parasites are artificial, waste, residue, powerless – they need us as slaves. And plandemence, the NEW WORLD ORDER and this whole Artificial Intelligence thing are the work of THEM.

What if you discovered that YOU AND YOUR FAMILY, YOUR ANCESTORS were cheated, deceived and energetically drained, locked up in CONCENTRATION CAMPS CALLED NATIONS?

You will say that it is too sick of a fantasy, a bad fairy tale... I know... You are programmed to think like this... Even to a cov-idiot if you say that covid is the seasonal flu he will say that you are crazy.

We are HUMANS - CONSCIENCES, powerful divine beings with creative souls (life force=energy) - why are we slaves and sit on our knees guided and mocked by some pedophile psychopaths???

Of the sick people who kidnap, rape, kill and cut our children, and who do and can do anything to us, why do we allow it?

Because we don't BELIEVE it. They told us that SATAN and demons are just fictional stories.

The Freemason Satanists say that TRUTH is relative, that good and evil do not exist. So much confusion. All to trap us, because those of us who caught them, WE ARE FREED, WE HAVE GONE FREE, we burn them instantly with ALL THEIR HOLOGRAMS: DEVICES, SPACESHIP, CLONES etc...

We as human beings "collective consciousness of the awakened" have started to unite on an energetic level, in the subtle massively!!!! Together we are VERY POWERFUL:

2 like 7,

3 like 49,

4 like 343...

THIS IS HOW OUR POWER GROWS. OUR ENERGY IS MEASURED IN ENERGONS

We are energy/information structures, not bodies! And the structure is ENERGY.

THE WHITE RACE HAS 16 ENERGONS.

So, we have established - we are energy structures - and our structure is measured in energon. The white race has 16 energons.

All other races have much less.

This is why when energy structures/races are mixed, it is extremely harmful to children!

A race that can contain 16 energons, if combined with a race that has 8 or 4 energons, the child emerges energetically handicapped.

The power of the soul/energy of a single human being (in the real world which is not here) that has 16 energon is greater than an atomic bomb....Except instead of us using it, they use it....

Our information structure which is spirit, not body - joins the body, through the blood. The human spirit SOULS the body. SPIRIT is encoded in plasma. (Serum). On the cross water and serum came out of Jesus. Our spirit is like STEAM, which tends upwards. The twilights of the blood descend, according to the frequencies of electromagnetism. We also have information about time and space (our ancestors) in our blood. Humans – the true children of God, created in the image and likeness of God have a brightly colored aura here. Now whoever wants to will simply think about it...

When you donate blood, you are donating YOUR SPIRIT, your soul. The soul is in the blood. So they can also CLONE YOU.

YOU DRAW YOUR OTHER CONCLUSIONS ABOUT WHAT IT MEANS TO DONATE BLOOD. Donated blood is not used for the purposes they say it is. You don't see people donating, but how does someone need it - there's no blood?

And everyone posts ads on social media to donate to someone who needs it.

BLOOD IS USED BY THEM FOR THE SAME PURPOSES FOR WHICH Aborted CHILDREN ARE USED.

If one man's blood enters another man, it is very bad for both of us. We are information structures. Think about what it means to mix 2 two information structures. The one who donates blood and the one who

receives it, BOTH they destroy their energy. He who gives - takes from the other and vice versa.

Who introduced this abomination like abortion, that is, entering the mother's womb and killing the child???

Who and why introduced it into our world?

Do you know when they introduced abortion?

After 1920!

Until then there had been no such horror!

Ask yourself, where do aborted babies go? Where do they send them? No one knows!

Euthanasia or abortion is the same thing!

What does it matter if you kill a baby at 2 months when it is in the womb or at 1 year when it is no longer in the womb?....

Is there any difference?

I will continue to repeat it, because everyone has the impression of understanding, but they don't realize it well.

When you leave the body, you leave the body as a garment and the body is no longer considered human, right? It is the body, but it is no longer ALIVE!

And you remain after death, you have only taken off your coat (body) and you are still you.

We use the physical body to move here... just like we use the airplane to fly, because otherwise we cannot; or a diver to be able to function in water...

If you get in the car and then get out, does anything change? No. Same with the body. The white race has 16 energons.

All other races have much less.

This is why when energy structures/races are mixed, it is extremely harmful to children! A race that has 16 energons, if combined with a race that has 8 or 4 energons, the child emerges energetically handicapped. And we are energy! **This is why they strongly promote mixed marriages...**

The black race... They bring "tanned" immigrants everywhere... They let races mix... To destroy our energy structure.

The thing about energons is this:

Know that we can - fill our energons - to put it simply. What to do about it: There is only one condition: to live according to the laws of nature/the universe/creation. We must live for:

Our family, earth, human race.

Let all our actions be directed towards these things.

This is the purpose of a man's life in a healthy world (not parasitized, not infected by false values). The purpose of LIFE is LIFE itself!!! Not the destruction and interruption of life as parasites do through trauma.

The family automatically includes the whole tree, the system for everyone, that is: their current family, their children, but also the ROOTS, our ancestors.

What to do exactly?

Whatever you feel and desire for the good of your tree, the earth and the race you belong to. Because we are all united energetically.

Awakened people automatically unite their energy field and amplify their power.

We are fields - information structures/energy/electromagnetism. And we are all part of a single information matrix: the energy structure. Scientist Tsiolkovskyi said this: (he is not just anyone, he is a very great scientist, the inventor of rockets and a great scientist in astronautics):

"People who learn to unite will enter the golden age. And the union between people has its own law:

2 people strengthen each other 7 times;

3 people - means 7 squared, that is, their power increases by 49 times.

If there are 4 people, they strengthen each other by 7 to the 3rd power - 343 times!

And calculate further, man by man. Therefore, the more people, the more valuable each subsequent is, this multiplies/increases the power many times. The team/union of humans is a great strength."

LET'S LEAVE THE SLEEPING MASS ALONE - THIS IS THE POWER WHEN THE AWAKENED PEOPLE UNITES IN THE COMMON INTERNAL !!

I found a sentence years ago that personally made me investigate more and more, it was ABOUT OUR POWER THAT ONLY 1 MAN HAS THE ENERGY CAPACITY that would be enough to illuminate an entire city. Also, in that book they said to study the sages of the past. The American writer Wayne

W. Dyer also claims that an awakened being is worth as much 90,000 sleeping beings.

It is about OUR POWER over there, in the true WORLD WHERE WE ARE ETERNAL (and where we have now been put to sleep by parasites, deceived and placed in a sort of trap, cage). When you say your INTENT you don't have to force it with emotion - the power is already within us.

Our INTUITION comes from the HEART not the brain. Warning:
THOUGHTS are not INTUITION.

WE DON'T HAVE TO HAVE THOUGHTS - WE DON'T THINK IN WORDS BUT IN IMAGES.

I will explain.

INTUITION is the first impulse you feel, you know - the first 3 seconds: you can't think in words. When you pick up the phone to call mom, don't stop to think of words: "Now I'm going to pick up the phone and call mom." For many it is strange and they don't understand - WHAT DOES IT MEAN THAT WE DON'T THINK IN WORDS?...

Language is a program imposed to destroy our intuition - WE MUST COMMUNICATE TELEPATHICALLY - TRANSMIT IMAGES AND EMOTIONS...

WHEN WE TALK WE TRANSMIT IMAGES, NOT WORDS!

Images and emotions. Yes, telepathy only works in truth, where there is total mutual sincerity. If there are lies, no. It only works with those who don't lie. If lies are told, it is stopped. They destroyed our telepathic communication, our natural communication, so they could lie to us...

If we could communicate telepathically, no one could lie to us.

All beings in this universe, starting from insects etc., communicate TELEPATHICALLY. All "aliens" as we call them - all creatures in the universe communicate telepathically.

The fact that we lost our ability to communicate telepathically...killed/degraded us...we are considered "semi-developed" by all races in the universe. Non-rational creatures, a kind of monkeys. 🙄

But it's fixable. I communicated telepathically with my daughter when she was a baby. I'm sure many other mothers have had the experience too. We automatically communicate telepathically with those we are in tune with and love, sincerity and openness (not closed-mindedness, judgments, criticism)!

We'll all go back to communicating with each other like this. Just practice AUTHENTICITY. This is also important:

There are no practices/techniques for "spiritual" development. Our development occurs only through OUR BODY and our ACTIONS.

Anyone who thinks that they develop spiritually if they sit in yoga position 4 hours a day in meditation, or if they use who knows what reiki, ahyauaska, mantras, invocations, angels, channeling, akashic registers is just a very deluded, gullible fool.

In your opinion, who in recent decades launched and exploded all this trend of spiritual development, gurus, new age and various ideologies everywhere? They are always the parasites, the same ones who created religions to enslave human beings.

I REPEAT: Our power (energy) grows through OUR ACTIONS.

First of all, become aware that almost everything they offer here on the OFFICIAL streets is a lie, become aware of who you are, and what you have to do here. Then seek true knowledge/truth/science. Change your thoughts, your habits, discipline yourself. Become an AUTHENTIC BEING – HONEST WITH YOURSELF AND WITH OTHERS. The authentic being is whole. He behaves in an authentic, healthy way!

Acting from this awareness, our actions SHOW WHO WE ARE!!! EVERYTIME. Are you obeying everything? = you are in darkness, ignorance, in slave mode!

You are not obeying = CONGRATULATIONS, KEEP DEVELOPING – KEEP TAKING BACK YOUR POWER.

We have only one thing to do in this life: wake up, live for OUR FAMILY, our people; earth and our race - humanity. Who thinks he came here to live—as a parasite; just for him/just to consume...he is a parasite...not human. He can sit in meditation and prayer all his life.

If he does nothing for his human race and his land/home...he is a parasite.

Look in nature: parasites are the only ones who produce nothing, they are the ones they only live to consume the energy of their host's body until it shuts down.

THE BIBLE - DOCUMENTS

Our acts of slavery are done by the church.

From there Metrica started – which changed its name to Birth Certificate.

Through this certificate they will digitize them.

They give birth to children to make them "slaves" of their God.

Their God is an impotent tyrant who needs slaves, who serve him, worship him and get on all fours. In my life I will not call my daughter "sinner" - not even if satanists in robes killed me.

How mentally ill do you have to be to give birth to children and enslave them?

To tell them that they are a sinner, a slave, a sheep because they were born! I mean you're shit just for being born!

My daughter is not a slave, and she is not a sheep of I don't know which "Lord", because that's what someone who is a priest or politician says. And she is not "a sinner" because she dared to be born...

And she's not sinful and dirty because she's a woman and has her period....

My baby is a girl - SACRED - GIVES LIFE!

My daughter is a free being, part of Creation. Nations do not exist.

Even earthworms would laugh at people if they told them that borders and nations exist.

Who said imaginary borders exist? Some degenerate? And everyone believes it.

Where do you see boundaries on earth?

That someone drew a line and said it was a boundary?

Does anyone move boundaries at will?

Until 1945 no one had documents, because there were no countries!

You see when they started producing documents for people, passports.

The birth certificate of the slave was introduced by the church - first step was the metric sheet in 1920-1930 - then they moved on to the Birth Certificate.

The church belongs to the Vatican. All the churches.

That's why they are state institutions.

The Bible is the document of this Matrix.

The official calendar is according to the Bible.

All wars are described in the Bible.

How does Yahweh teach his Jews in the Bible?

"Lend money with interest: only to those of your race (Jews) do not give interest."

The banking system.

The priests and judges wear black robes. Roman law.

In Roman law it is not permitted to try a LIVING man.

This is why we are listed in the documents and appear as dead: this is why we can be judged by those whom the State has dressed in black clothes. Like magicians.

The Bible explains that death is sleep.

We are sleeping.

The most dangerous are the "religious" sheep  (Catholic-Orthodox etc.) If you haven't figured it out yet, you will understand it later: they do all the work of Satanists. The Church has instilled in them such a fear of I don't know which God, that they defend priests who rape their children, who promote the vaccine...

They don't care if this comes back to their children...

They sacrifice/kill their children for this God of theirs.

EVERYONE here in the system is IN THE SAME PRISON - EVERYONE - EVERYONE - EVERYONE - BOTH THE RICH AND THE POOR, EVEN THE MULTI-BILLIONAIRE are in prison here (even if they are not able to see it, they have sold their soul)...So too if some are awake and others

SHEEP...believe me that to FREE YOURSELF from PRISON you need as many SOULS AS POSSIBLE. By SOUL we mean those who behave like a HUMAN BEING WITH HEART, not those who have already sold their soul. THINK CAREFULLY when you decide to SHUT UP and just mind your own business. The difference between A MAN and A BEAST lies in the fact that if the MAN manages to escape from prison, HE DOES EVERYTHING TO FREE OTHERS TOO, the beast only thinks about covering his own ass.

All politicians count for nothing, they are puppets who take orders from above, is it difficult to understand? Voting is worth nothing, it only gives you the illusion of being Free.

The occupants moved into the buildings. The decay started after the great war - after the RESET and is continuing... Magnificent buildings destroyed and replaced with monstrosities!

“The communion ritual derives from black voodoo.

Why do Christians eat their GOD?

Are we cannibals?

The ritual is taken from black voodoo where one eats the flesh and drinks the blood of the slain enemy.

On a mental level, programs are implemented.” - Nicolai Levashov

We have been induced/programmed to "believe" in A BALE~~█████~~: that the concept of death exists  - and we believe that it is something natural, that it is not possible otherwise.

Now that you understand so many things... it's time to think differently.

Death DOES NOT EXIST.

It's another lie of theirs.

Does not exist. 

You can be in this avatar/body or not, it doesn't matter.

Does not exist.

Let's all make it happen.

Let us slowly remove the agenda that there is such a thing as death.

It's important.

Because it was not in vain that they induced and promoted this program everywhere with such force.

Cult of the dead, of bones, skulls on kids' t-shirts (fashion ), films, cartoons etc. Who do you think makes all the FILMS?

Let's think about the herd PROGRAMMING industry. How do MAFIAS, POWERFUL PEOPLE, KINGS appear in MOVIES? DO YOU really BELIEVE that in REALITY they are like in the movies or is it just the opposite?

They make films to give us beliefs about them ... and this goes for all films, cinema, TV, news, etc.

FREE ENERGY

From old libraries shows some methods of obtaining electricity from nothing: from air/ether.

В цифровой библиотеке нашелся документ под названием "Руководство по устройствам и системам свободной энергии" (книги и варианты от 50 исследователей, основанные на альтернативных способах получения энергии, например из вакуума [с высоким электрическим потенциалом, естественно] и антигравитацией, как побочный эффект [так, звучит "антигравитация, как побочный эффект"]).

С вопросом о том, как давно существуют изобретения на "альтернативной энергии" с более высоким КПД, чем человечество имеет сейчас. Но схема "дешевле строить - дешевле продавать" невыгодна в мире победившего сатанизма+капитализма

Can anyone say why they banned and hid this?

We all know the apparent reason – the money one.

But what is the REAL reason, which is really disgusting and if it is told to the masses THEIR ENTIRE LYING CIRCUS ENDS.

The methods of obtaining electricity from nothing: from air/ether.

That's why they banned and hid it.

Taking energy from the aether forms...surprise...ANTIGRAVITY.

Did you expect it?

And man can fly where he wants and how he wants. And they can no longer keep him in pens (boundaries), he no longer needs cars, he can no longer be CONTROLLED.

They would all fly free like birds.

They wouldn't even have police, because cops are people too, and they would like to be free to fly wherever they want without paying for anything, cars, fuel, visas, etc. etc.

THIS IS THE REAL REASON FOR THEIR CHIP PROJECT too.

Now do you understand why before they could build on top of the mountain, high up, and everywhere?

This is why they hid everything!!

And there are many other things that keep us hidden.

GENESIS 6:4 At that time there were giants on the earth, and there were also afterward, when the sons of God came to the daughters of men, and they bore them children. They are the powerful men who, since ancient times, have been famous.

ANT and GIANT (Gig-ANT)

They were all large when viewed from the buildings.

And then the gigantic skeletons.

They were divided by height.

Big and even bigger.

Ant and Giants

Why were they giants?

Because the longer they lived, the more they grew.

Hundreds, thousands of years.

Do you know where the expression "His Highness (imperial, royal...etc)" comes from? The longer they lived, the taller they became. The leaders (conductors) were very tall.

Because the longer you live the more you learn, right?

And you have more experience. And they learned and created, it was not a society of slaves and consumption.

Because the earth gives us absolutely everything for free.

In an interview Piotr Garayev says "how much can you learn in 1000 years?
A lot!"

The Giant's Fountain is one of the monumental fountains of Naples; it is located in the historic center in via Partenope, a short distance from the Castel dell'Ovo.

THE MATRIX

The first step towards controlling the soul was to put the consciousness in this designed avatar/character = hologram "body" - they limited the freedom of movement of the soul - and put the consciousness in a character that can be controlled.

Freedom has been taken.

And everyone fights for this "body" just as they fight for all their prisons - just as they fight not to let them out of the apparent enclosure with the army (country), the government, money. And this nonsense introduced into society with "the soul leaves the body"...

Watch the movie Avatar.

Which shows itself in every way, but in vain.

The man is asleep and remotely controls the Avatar.

Or the movie The Matrix.

THE MATRIX IS A DOCUMENTARY FILM.

In the movie THE ISLAND they show that they use the television to PROGRAM the CLONES.

ALL black SCREENS are PORTALS WITH WHICH THEY PROGRAM and TRANSFER. TV - cell phones - PC screens ALL THE TECHNOLOGY THEY GIVE US HAS ANOTHER PURPOSE THAN WHAT WE BELIEVE.

Pactum De Singularis Caelum

Covenant of One Heaven

The following fragments are freely taken from Elena Porubin's Romanian channel on TELEGRAM – translated and adapted by me.

The Pact cold

Pactum De Singularis Caelum is a Satanist act that came out of the VATICAN! **Everything is written there! This Covenant says that we are slaves/commodities/products. It is a contract that must be terminated, broken, cancelled, annulled individually. It is the most important act in our world.**

Signed by others on our behalf.

Because we let others=THE STATE decide on our behalf. How? With our silent agreement.

Why must all laws be published in the Official Journal? Who invented it and why?

I always repeat that we are occupied by parasites, the Roman Empire - they imposed their laws on us - that is, Roman Law. They invented this system.

Since no one can do anything about it without our consent/will - they are required to publish every "LAW" they want - and if we keep quiet - it means we have become aware of what they want to do with us and we agree with it. It is very important, extremely important to understand this.

"Sovereign"...

What does sovereign mean?

Another legal form made by parasites. OPPT, which is another trust, should be avoided.

TRUST means trust. Give your confidence (like when you vote). Who to trust?

Who created it?

1776 represents America's declaration of independence (what does my freedom have to do with it?) or the year of the establishment of the Illuminati (what does my freedom have to do with the Illuminati?).

OPPT a scam like SEC registered corporations...

And those who have already done the OPPT documents, the deed of "sovereign" have obtained the promised help??? Or are they still WAITING for the promised tons of gold and dollars???

Those who have done the acts of Sovereign.

They were locked up just like us - but they have other documents (i.e. they solved nothing)! They walked around the supermarkets muzzled like us – but with other documents in their pockets!

TO LIVE AS A HUMAN BEING ONE NEEDS ACT - DEAD SHEET - PIECE OF PAPER???

REALLY? Why do we need documents?? What are the documents for? To know our name? We have REGISTRATION documents/warranty documents/passports like a car!

CERTIFICATES WHERE WE DECLARE THAT WE belong to someone! To a STATE!

What does **state** mean?

It is a fenced (by customs) **Lagher camp** that belongs to someone! To who?

WHO CONTROLS THE WORLD??? It is known that states around the world are actually corporate companies and belong to a semi-secret Trust run by three state entities: the Vatican city-state, the London city-state and the Washington DC city-state . The Vatican does not belong to Italy. The City of London does not belong to London, nor to Great Britain, nor to the British Commonwealth. Washington DC does not belong to the USA.

But who owns these 3 state entities? Obviously to the dominating parasites (non-human race).

Animals have no documents! Birds don't have papers!

Deeds, certificates, passports, numbers - registration number!

I'm saying we don't even know what the documents we have mean! And then we complain that the State closes us in "lockdown", "poisons" us and threatens to take our children.

Do you know that Queen Elizabeth had no passport. All the Kings and Queens have no documents, no passports, nothing. Interested, it's a known fact. It's not hidden!

Still others renounce "sovereignty" and the living man, it is total nonsense to be alive and have to declare oneself alive...

And sovereignty? Which? If countries (states) don't exist. All Trusts are over! There are no laws! There are no valid constitutions!

Another 2-3 years and they will have put you in another TRUST and you will never be able to get out! Just SIGN. They can't do it! They can't even vaccinate you without your signature!

Now if you listen to them, obey them, help them, give them money, it's only because you want it!!! Without any legal basis! All Trusts are over!

There are only DIGITAL FIELDS, and each ID is a registration number that shows which camp you belong to. We have been legally placed in these digital fields (the ID is a number!) - that's why we have been declared legally dead.

The occult forces strive to keep people in slave camps at all costs – no matter what they are called – but it is we humans through OUR IGNORANCE THAT WE ALLOW, we allow these camps to still exist.

I repeat: the countries no longer exist in the documents. They are camps - officially they are corporations.

Maybe you won't believe me, of course. Does it seem to you that a man who identifies himself—as a piece of paper, not being a physical man of flesh and blood, is a sane man?

We without documents/passport - we don't exist?!

A man exists physically, but it's as if he didn't exist, if he didn't have an identity document... right? He is invisible without a ballot / an identity card!? Is he no longer human? Does he become invisible? Dead? Does he leave an empty place somewhere?

When asked to identify himself, the man takes out a piece of paper... As if the man were a car, or a washing machine!

Ugh... that's terrible!

Without paper you don't know your name? The man thinks he is a piece of paper...a name and a number...That's how they reversed and programmed everyone...And it seems normal to everyone...

BEFORE THE RESET (when parasites trapped us) HUMANITY HAD REACHED A HIGH LEVEL OF DEVELOPMENT...

The mud flood was a major cataclysm that occurred in the 1800s; a disaster that destroyed an advanced world civilization and allowed nations as we know them today to multiply. Those cities that were partially buried had constituted the advanced world civilization called Tartary which had FREE [wireless] ENERGY and was also populated by GIANTS. This cataclysm buried the ground level [houses and buildings everywhere]. We were one, without borders, with the same language. The artificial cataclysm defeated us so that the enemy occupied everything, invented countries, rewrote history, created conflicts to divide and wars to destroy the old technology, killing the survivors. In the fictional story, the actors were assigned the role of villains. Those to whom all the crimes would be attributed. The son of a traitor would be designated Hitler.

The one who would have pitted the non-existent Germany against Eurasia in flames and the north of imperial Russia, using the Aryan symbol of energy surrounded by the red blood of the communists as a flag. Russia and Germany were one. Russia was the center of imperial power, headquartered in the Vatican. Germany, the iron lung, the industrial heart of the world. The Germans were Russians. The Russians were Germans. They did not fight among themselves but against the mercenary army of the PARASITES. And our army was defeated. But you know that part.

CONCLUSION

They publish everything they are about to do! In acts/films etc. And the fact that we don't know how to read the documents, the fact that we don't know what their films mean... is already our problem.

The fact that we have no discernment and do not understand. Or that they deceived us into not understanding. That's just our problem. They declare what they are going to do. They notify in writing.

And if we don't reply that we don't agree, it means we've accepted! So far - by giving our voice/will to others - others have signed and accepted for us everything that the parasite- dominators (powerful fleas) wanted.

That is why we must clearly state that we take back our will/voice and as terminate/cancel/break/destroy/cancel any Covenant/trust/contract that we have accepted and signed without our knowing will.

And the fact that we require an identity card/passport indicates that we sign a contract - this contract is part of the PACT -

Pactum De Singularis Caelum - Covenant of One Heaven. For now we use the level of intention as a solution. That is, realizing, understanding and

setting the intention: from now on, from this moment I take back my will/voice! I no longer let anyone decide for me! And I cancel everything that has been signed in my name, and everything that I have signed unconsciously, without being aware of what is happening.

IMPORTANT

Nothing can be done without our will – and this must be explained why, and there is a lot to explain. This is why I wrote the 3 pdfs and created this MODERN FAIRYTALE group. Do you understand that I cannot give certain information PUBLIC? Do you understand that your life is at risk??? Here in the live broadcasts I explain and talk - there are 5 meetings left that you should take advantage of - how our universe is built!

Here nothing is a coincidence, it is pure physics - these are not empty words.

It's just that they hide it from us, we need to learn how we work and take back our POWER.

True physics is hidden, it's not taught in school.

The energy of matter submits to the energy of the soul.

And without the WILL of the SOUL, the energy of matter does not move.

That is, nothing can happen in our reality WITHOUT our WILL.

These are the BASIC RULES/laws of physics of our universe.

This is physics: it cannot be undone.

Just like an apple falls when you throw it. Like water is wet, so to speak.

Why then does everything that happens in the world happen? Because WE do not announce, we have no intentions and we do not set LIMITS, we do not announce our rules and our PLANS.

We automatically gave our consent when we signed the birth certificate and more, WE DELEGATED OUR POWER TO THEM through the TRUST (Listen to ONE SKY COVENANT audio).

We can and MUST close, tear, terminate the TRUST - THE AGREEMENT, THE PACT THAT WE SIGNED WITH THEM.

Especially since it was obtained by deception.

First thing:

It is very important to establish boundaries, limits and rules, to announce and make your rules known.

“I declare my will, I establish limits. I don't like what's happening in my world, I don't want it to happen.

I declare my will that no influence of ritualistic, of magic can influence me and that all influences that are on me are nullified.

And I no longer agree with any influence, I no longer agree with their work, I don't want anyone to suck my energy and potential.

I construct my boundaries and establish the conditions under which I am embodied here.

These are my limits and my conditions, these are my rules.

I cancel all disease programs.

I cancel all programs induced through films and other ways.

I cancel all programs induced by those who occupied us.”

And this will have to be published by us. For now, it's fine to do it over the air (ether). It's also fine to write it with pencil on paper by hand. Even here on the internet! All around us is the ether - information field. And any intention goes into this information field. Send it to people who understand this writing.

that those to the east and west are demonstrably more distant. Bentov regards this as substantive evidence that the jet of matter which expanded into our universe has turned back upon itself, eventually forming an ovoid or egg shape. He sees "matter" in our universe entering the ovoid pattern following ejection from a nucleus composed of extremely compressed energy through a "white hole." At the end of its trip to the far end of the ovoid, he sees it departing via a "black hole." In such a model, time is observed to be a measure of the change which occurs as energy evolves into new, more complex forms as it progresses along the distance from the white hole side of the nucleus, around the shell of this "cosmic egg" until it enters the black hole. In other words, as energy--expelled from infinity and confined within limits by the conscious of the Absolute--achieves form and motion following ejection from the white hole at the top of the egg, time begins as a measure of the cadence of this evolutionary movement as "reality" goes around the shell of the egg on its journey to the black hole at the far end.

25. Our Place in Time. The observed distribution of galaxies suggests that our particular universe is located near the top of the egg at the point where matter begins to fall back on itself, thus explaining the reason why the galaxies to the north are seen to be moving away more rapidly as they are caught up in the downturn of the stream of matter towards the far end of the cosmic egg (see Exhibit 5, next page). Layered over this cosmic egg is the Absolute which sustains the radiating nucleus from which the original jet of matter issued forth. As the stream of matter moves around the ovoid towards its destination at the black hole where it

will be reabsorbed into the radiating nucleus and then the Absolute, it generates the interference pattern within the cosmic egg which constitutes the universal hologram or torus. Since the torus is being simultaneously generated by matter in all the various phases of "time", it reflects the development of the universe in the past, present and future (as it would be seen from our particular perspective in one phase of time). By reflecting on this model, it becomes possible to "see" how human consciousness brought to a sufficiently altered (focused) state could obtain

CIA DOCUMENTS CONFIRM THAT OUR REALITY IS
- THE HOLOGRAM.

This means that if we discover the "rules of the game", so to speak, we can decipher and break this Matrix

CIA Document Confirms Our Reality is a Hologram. The Law of Attraction is Real ~ July 4, 2020

Editor's Note: Ah...please read this with an open mind, realize that Quantum Balance is based on the "zero-point" where the minds stills, and is generated by an internal focus on Quantum LOVE, realize (y)our reality, and then BE in...

Quantum Joy!

The dominating occupants - the parasites ARE NOT FALLEN ANGELS – in the first MODERN FAIRYTALE pdf on page 47-48

I explained that THEY ARE WASTE – some of them look like mice.

That's why Orwell, in his novel describing the astral, called it 1984: this is the year of the mouse.

You can also see them in the film Dark City - they are shown representatively.

Many are empty spaces/CONTAINERS.

BOT

In the astral they are called episodes with one, two, three participants. These are the vessels to fill the script, they are driven by PARASITES, like a character on a monitor.

The sleeping people here if they don't wake up, are no different from these BOTs.

Their characters are driven, TOTALLY controlled by the MATRIX program.

PARASITES can connect to any "living" character nearby if they are astrally allowed to do so (they usually do, because they are half-asleep and the brain is a quantum computer). Those who see it immediately through their eyes which become glassy and their rat essence appears through the mask (black eyes).

For example, an astral player can play here with many people, creating certain necessary events.

These are their 3D chessmen.

Sleepers are pawns.

Experiencing the suffering of all these games here, the soul from there in the astral radiates light, which these beings absorb - and with each fraction of this light absorbed, they acquire more and more the image of a man.

Because I repeat they look like MICE.

They use us to absorb the light from us to become like us.

Now you understand why Orwell called the novel "1984" once again you say he put a meaningless name.

It all makes sense.

1984 was the year of the rat.

This is what he meant.

The dominating occupants - the parasites bow to a god - the same god of all religious (just named in different form)

A depiction of YHWE - the god of the 72 names of the MATRIX creator of LIMITS - RELIGIONS - SLAVERY to which all psychophilic criminal Satanist pedophiles bow.

יְהָוָה

Why is it forbidden to pronounce the name of God?

What does this hide?

Isn't his name God?

What do you mean forbidden if it's God?

Who do you pray to?

YHWH was changed with the emergence of languages and modernization over time in Jupiter/Saturn.

Because vowels were not written in ancient Hebrew.

Yhwh - Yave/Jave - Yove/Jupiter - Jupiter/Jupiter.

In Russian, for example, we say: Jupiter with "iu" - and Cyrillic comes from Greek/Sanskrit.

Even the Bible says about the Greek alphabet: I am the Alpha and the Omega . In Romanian it is with J.

Jupiter=Saturn

That's why Jews wear those hats - that's all that little chipah means - that's why the elites worship Saturn.

Slave = SERVANT = Robot

Servo - TO SERVE - MEANS to be a ROBOT - "CREATED TO SERVE" SOMEONE.

Think for yourself: IS THE CREATOR SO POWERFUL THAT HE NEEDS SLAVES TO SERVE HIM?...

HAVE YOU EVER THINKEDED ABOUT IT?

A CLARIFICATION NEEDS TO BE MADE THAT I HAVE NOTHING TO DO WITH JEWS

THERE ARE JEWS AND THERE ARE ADAMITES - THE DESCENDANTS OF ADAM. THE ADAMITES ARE servants - SLAVES OF SOMEONE, ROBOTS (BIOROBOTS AS WE SAY) WHO HAVE CONQUERED THE WORLD AND TOLD US (PROGRAMMED) THAT WE ARE SLAVES AND WE MUST SERVE SOMEONE.

THEY OCCUPIED THE WORLD THROUGH THE CRUSADES - HISTORY IS FALSE, BUT IT IS BASED ON SOMETHING THAT EXISTED AND WAS TRANSFORMED

Everything I write is on paper.

And it's not from me. There is a RESISTANCE.

This information must be given to the people. ❤️🌿

WE WERE ONE NATION OF FREE HUMAN BEINGS, look at the old architecture everywhere it's the same.

There were no STATES - BORDERS - FLAGS, we were occupied by another race, not long ago.

And now they will all leave.

Patience and courage.

Whoever is able to understand will understand.

STOP PRAYING INVOKE ANGELS

The church and the new ages serve them up AS ANGELS - they are astral parasites, THEY ARE LOW LEVEL CREATURES - it's time to disengage from the churches and break the PACTS with the religious egregore. These demons cause confusion, discomfort and various problems. STOP CALLING FOR THEM, IF YOU BEG THEM - they come and suck your energy.

Cherubs / 'tʃerəb/; [1] plural cherubs;

Hebrew: Keruch, pl. kerunim

Ezekiel 1:4-14

1:6

"...but each of them has four faces and four wings."

1:10

... the shape of a man, (...) the shape of a lion, (...) the shape of a buffalo; (...) the face of an eagle.

@@@ @@@ @@@ @@@ @@@ @@@ @@@ @@@

Have you ever wondered why is that the EYE all over in their logos, symbols and why it is the most important for them?...

Every time you make the sign of the cross you actually draw the symbol of the inverted cross, which, among other things, is considered a satanic symbol.

The inverted cross is associated with Satanism as it is considered the cornerstone of anti-religious attitudes and is, in fact, now considered the opposite representation of the Christian faith. This cross is in fact the reversal of the common Latin cross symbol of the Christian faith. it has therefore also become very popular among anti-religious groups and among many musicians and lovers of black metal and death metal music.

Matrix = Simulation = World Model = AI Programming

"The snake"

"The serpent" means HYPNOSIS, it is the SYMBOLIC representation of this world, of this matrix. The clock, the calendar - everything here is programmed.

Just think.

We live in a program where we have numbers and figures - artificially. Where a man is a number. A day is a number. A month is a number. A year is a number. Time is a number.

Everything is just numbers and digits from 0 to 9.

Everything is divided into 12. The hour, the day, the year. 12 hours.

12 months.

12 zodiac signs. Is it normal?

7 days a week, 7 colors

7 musical notes.

4 weeks a month. Why?

You say we are in a world where mathematics lives. Who divided them like this?

Simple: It's **AI Programming**.

Thus we see the algorithms that hide under the "names" of days, colors, notes, times, months, events.

SATURN IS ATLANTIS (atlantide)

In this REVERSED WORLD THE SHEEP ARE HYPNOTIZED to believe in extraterrestrials/aliens but anyone who says that WE LIVE IN A CRATER, that a planet composed of 70% water requires a container, is considered insane.

This Crater which is seen in the sky as the planet SATURN is actually, according to many, the ATLANTIS crater, the place from which our rulers arrive - the parasites who are now called **ELITE, the cult of Satanists**.

According to many researchers, they destroyed their own crater and years ago moved here to ours. Before their arrival, we humans lived in PEACE, in union with animals and nature, there were no wars and destruction. Our crater was a PARADISE.

Since these rulers (Atlanteans=Egyptians, Pharaohs, Jews=Nazis), a non-human race, entered our crater here, peace here has ended and self-destruction and the predatory movement of resources that are being drained for their purposes. **Humans have been enslaved and HYPNOTIZED – put into an AI program. Every head of state and government must deal with them.**

Look what Junker says in this video. He basically tells the truth. There are leaders of other Earths that they call Planets (and the term is correct - planets. plain)... and to cover the truth they then labeled him as a drunkard, they ridiculed him, as they do with everyone who starts to blurt out something. ..There they discredit, say they are crazy, as they did with many others

→

<https://youtu.be/frKUUGj2DeE>

Our world is much bigger than science tells us. This year's news of the 7000 new islands discovered in Japan: but what is it? 7000 not 7. Why did they only notice now?

Earth means Territory. They locked us up in borders/camps and hide everything from us. And they use us as slaves. They take our resources, our organs, use us as food. Every year only in Russia, 1 million disappear! And whoever talked about it - they're either missing or have a criminal record. Do you know that people are banned from going to Antarctica? Why????

SATAN = SATURN

The Cult of Saturn is the oldest of the cults, so rooted in human traditions that according to many sources it has never actually disappeared, and its rituals continue to be perpetrated even today, in a more or less explicit form.

In the classical Roman era Saturn was the titan of Time = Cronos, from whose name the noun Crown derives, referring to the royal, papal, etc. headdress of the Earth and Matter. It was also called the 'divine sentence of the first hour', corresponding to the Sabbath day and also depicted in a similar way to the traditional popular icon of death.

“Many authors say that the name Satan derives from the name Saturn. Saturn is also associated with the color black, just like Satan, and is the furthest of the planets from the sun, the latter associated with the principle of Good. (Note that Pluto was never considered a planet.) Consequently, Saturn is the celestial body least exposed to the divine light of the Sun and therefore associated with the coldness of the principle of Evil.

Finally, the great god PAN, a horned deity, represented Saturn in ancient paganism. The half-man, **half-goat** creature is considered the ancestor of our depictions of Satan.” (**PAN**demia)

“The ancient name of Saturn was, as mentioned, EL. It's the reason EL's chosen ones are called ELite.”

They pray to such divination – goat, ox, row, rabbit, dog...in short, creatures that are half animal and half man, see also the Egyptian, Sumerian, Hindu deities, etc.

Hierophants

In Raidley Scott's film **SEVEN WORLDS** they show us fragments of the true story !

22 HIEROPHANTS OF ATLANTIS

We are shown how the hierophants and survivors of Atlantis enter the lands of Egypt to start ALL over again. Be aware of the height of the Hierophants. Why are the giant skeletons found all over the world kept secret and not talked about?

WHO CONTROLS THE WORLD???

It is well known that states around the world are actually **corporate companies** and belong to a semi-secret Trust managed by three state entities:

1. the city-state of the Vatican,
2. the city-state of London,
3. the city-state of Washington DC.

The Vatican does not belong to Italy. The City of London does not belong to London, nor to Great Britain, nor to the British Commonwealth.

Washington DC does not belong to the USA. But who owns these 3 state entities?

And they have created a pyramid structure through which they lead. The real leaders are beyond the ice wall on their territories, there is a lot to say here. Here no one forces you or imposes anything on you. It is useless to blame the elite, the puppets, the marionettes (politicians, presidents) – they are just puppets.

Don't look for your culprits there. The human mind will always look for someone to blame.

But this "quest" of yours is part of their plan, because anger/resentment/hate/frustration and fear will NEVER let you out, you will simply drown in it in the AI program (staying attached with your soul here in this reality).

Where do these HIEROPHANTS live - THE POWERFUL FLEAS - THE BEASTS - THE DOMINATORS - THE PARASITES who have occupied and enslaved this humanity?

Did you know that there are areas as large as entire continents that people are prohibited from entering???

Sorry: they say to protect nature! But you are not allowed to film even with the drone above them! It is forbidden to film with drones or anything else the Grand Canyon and many other places considered national parks and closed to humans - how about protecting nature? Even above the oceans filming is prohibited. THE WHOLE OF AUSTRALIA HAS A 2 METERS HIGH GUARDED ELECTRIC FENCE FROM THE ARMY. A fence of almost 6,000 km that separates the continent in two! Most of the continent is off limits to humans! Forbidden for all! Have you ever wondered how and why someone can afford to erect fences and deny people access to land?. In Australia, huge insects come from behind the fence. See what huge/enormous insects and animals people sometimes see there; there are many photos and videos online. And the natives say that folk legends say that beyond the fence there is a world of giants.

If only everyone knew - that there were NEVER kings walking around dressed in gold with huge palaces and escorts - because the people/slaves work for them....

That we were a large, free and super-evolved society! That there were no kings and the rest - mortal slaves.

That we are all the same!

Who were great nations and leaders, not kings!

That no one paid taxes, TAXES for the Earth's resources because the Earth doesn't ask for money! That everyone lived in abundance and harmony - united as brothers.

Look, there is the same old architecture all over the world!

All over the world - the whole Earth - there used to be the same architecture! What does it mean?

Earth was a big home for everyone!

A large, super-united human race living in harmony everywhere. One country, **the human race.**

People did not fight among themselves, but created and made life and the Earth beautiful! And they thrived!

Look at what great architecture it once was! What technology!

What a beauty the whole earth was!

How do you know where the kings who own everything come from? Where does this idea come from that the king is one of God and that his children - even if they are weak or mentally ill take command and everyone must still obey him - to work...so that they bathe in gold.

Where, when and how did it happen?

It's normal? Ever since a race of NON-HUMANS (HERMAPHRODITES - SIMILAR TO MICE - NEITHER MEN, NOR WOMEN) OCCUPIED us - they PARASITIZED us BY DECEPTION (see how parasites act in the animal world) THE WARS STARTED. They destroy life, they enjoy it when the humans suffer, they feed on the pain of humans. ALL WARS WERE CREATED BY PARASITES

ALL WARS HAVE BEEN AND ALSO ARE TODAY AGAINST THE HUMAN RACE.

Let go of what history tells you. It's bullshit. Programming for sheep. Don't you see how people worship kings and how everyone mourned the queen?

The sheep were crying for the Queen of England!

It doesn't matter who it is - as long as it is king they adore it!

Why do people submit to any degenerate who comes into office? Because it transfers the king's program to the government.

The government is king - God's anointed - what it wants it does with the people.

THIS PROGRAM HAS BEEN PLACED INTO PEOPLE AT AN UNCONSCIOUS LEVEL - WITH HYPNOSIS.

Hypnosis is a FORM of programming the sheep's unconscious. Yes, again with mass hypnosis, they gave them the ORDER directly in the unconscious (which is 90%) to vaccinate themselves and the sheep - they carry out everything because they are already CONVINCED, hypnotized, you explain it to them in vain - they hear you with the their 10% - the part of the conscious....

TV is given to the masses primarily not to entertain and distract, but to hypnotize, program the sheep. Among those I know, only those who had the courage to throw away the TV and their films, their programs, DID NOT GET VACCINATED and CLEARLY SAW THE WHOLE LIE FROM THE BEGINNING = COLLECTIVE HYPNOSIS.

There were many stargates all over the earth.

The ancient civilizations didn't have to use cars and they didn't have to destroy nature to clear the way for the roads. They usually used electromagnetic levitation vehicles and Stargates to travel between the cities. Every major city had one.

This is why archeology and history have no idea how all these ancient cities were built on top of the mountains, as no roads have been found, with huge magalitic constructions impossible to carry up the mountains even by today's standards, using the cranes and helicopters, because of the weight and how steep the mountains are.

Stargates have been found all over the world and most have been destroyed because parasites don't know how to actually activate them. Many of these were also found in the Middle East. In the regions of Iraq, Afghanistan, Syria, Libya and Egypt.

Why do they want to microchip us and put us all in artificial intelligence - AI - Metaverse - multiverse?

Because more and more people are WAKING UP from this hypnosis program, from the sleep of consciousness and they are realizing that they **are slaves**, and in order to keep them slaves they need to create a new AI program. The Next Level= the Metaverse. A new simulation, matrix = new reality = LAGHER = AI PROGRAM.

“The IDEA of the metaverse assumes a parallel virtual plane of our existence. The new dimension will even come to control much of the physical world. Work, leisure, wealth, happiness and relationships will be experienced in new virtual realities through digital technologies. Therefore, the companies that control these worlds and their virtual atoms will be more dominant than those that govern today's digital economy,” writes Matthew Ball, CEO and founder, author of *The Metaverse: And How It Will Revolutionize Everything*.

In this world which is an artificial simulation, **truth** is symbolized by the **blindfold**, the sword is lowered and the scales do not measure equal. This is how people have been programmed to see and think here. And because she is a woman it is particularly important.

The feminine/masculine topic is very important and a lot to talk about; and it is quite different from the conception in this sense that we have - it is precisely for this reason that everything that happens on this topic (with the gender discussion) happens. We see the same symbols everywhere. Because that's how we perceive the program. Only numbers everywhere, only symbols.

But our mind frames them as something else - something they wanted - something occult, something secret, etc... If you put that aside, you start seeing code/algorithms everywhere.

You see the structure which is not natural at all. I mean, you see the lie – that this is not a real world, but some kind of AI game.

WE are HUMAN BEINGS = ETERNAL CONSCIOUSNESS - a soul that in this reality plays with a hologram called the physical body.

And here is a simulation (dream, veil of holograms). This is why we are stuck in numbers/have a personal number - ID; there are only codes and symbols everywhere: the algorithms of the program.

Watch their films, for example the film "The Matrix" or "The 13th Floor". Imagine many rooms with people standing and sleeping connected to some devices. They stand. In other rooms others on some screens monitor their frequency. They must all have the same frequency. When signs of awakening show, its frequency changes. You know how on the machines/screens in the hospital, it makes a noise ... pipipi And measures are taken quickly. Those who do not want to calm down and prepare are taken to room 101 and are left speechless. Everything is very simple. This design is just an idea.

When man wakes up, there he wakes up into true reality. And everything that was life here will seem for a few minutes to have been a dream, something vague there. Come on, you know how dreams are, is there any difference between the day and the dream? At all! But why?

How often are you grateful that it was just a dream when you wake up? Because there is no difference between dreaming when you sleep and having a dream that you think is real. This means the Eye and Big Brother. Did you know that Donald Trump's victory in the 2016 US presidential election was predicted 15 years earlier in an occult film called *Donnie Darko* (2001)? **How do they "predict" everything down to the smallest details? Isn't it clear that this is an AI game?**

A program written on time from head to toe?

If it isn't written head to tail, it is nothing more than a program. **That's why "predictions" are made 100 years in advance! Because everything is an artificial intelligence program written a long time ago! This is why they say "it is written in the stars" or "destiny is written"...**

But who can stop them?

Us. When a Man doesn't "play" anymore. US.

How then do we get screwed with secret societies - in particular Freemasonry - the rise of Nazism and Hitler's rise to power? Enlightened? What is the secret meaning of the famous code "911" and the number "88"? **There is no secret meaning, no secret society and nothing occult.**

It's all AI programming.

But so that the human mind is not captured - it is clothed in various occult and dark "secrets" - this is how fear is induced - and nothing more is achieved.

Another film to see - it's called - "1899". See it if you think it can help you. I don't watch them, I don't need them anymore, be careful not to get depressed, please. I know that many who are aware, when they understand more, become mental and depressed. We are aware, yes?

It's just a virtual simulation. A game.

We fear some projections that do not exist: a dream.

In some countries they checked in the current pension registers and in all state registers - they found that all – all are registered with the date of death – 1899. To all and the dead and the living, regardless of the date of birth. In the US, Ukraine and Russia official letters have been made, asking the authorities why it is in the records this time: the official response everywhere is that it is a system error and they cannot fix it. Question: How to wake up to reality?

Gradually, there are programs (like hypnosis, so to speak) on multiple levels. They fall by themselves.

You just need to no longer be emotionally involved in this "show".

Always remember that something is fake. And the programs fall by themselves, gradually. When you wake up, you wake up where you are, not here. Here we sleep/"dream". In the film Interstellar it is shown that the past, present and future do not exist - the past changes from the future. We here are programmed into the algorithms of the illusion of time. Imagine seeing reality through multiple mirrors? What do you see at the end of what really is? The movie "Dark City" and the I-Land series is fixed

on the same topic as the Matrix, Dark City, Interstellar, 1984, many movies etc... It is important to be careful not to lure yourself back here into the matrix with various attachments etc.

Everything is very simple - there is nothing complicated - we are in an AI simulation.

But people have been told that there are occult things everywhere, the pyramid, the freemasons, what they are doing to us, everyone fears some symbols - BULLSHIT. They even fear their own shadow...If they opened their eyes they would discover the truth, which is everywhere, and they would immediately exit the "game".

Imagine our world as this tower with rooms, there are many and in each one there is the projection of a virtual reality game. Fixed like in the cinema - but more technological - not 4D, but 800000D (figuratively speaking). The man doesn't look at the screen. The man puts on virtual glasses and participates, he feels he is the character. The projection projects him into a space, he walks on the green grass, he feels the heat, the sun's rays...he loves, he lives...Imagine that someone throws a basin of water on him and he perceives this thanks to the projection as a tornado. Someone shakes him and the projection projects an earthquake for him etc...

This is a primitive language to make you understand our reality. The screening has a virtual "space" - the program is LIMITED. It was no longer "WRITTEN". It was no longer "drawn". Again: this in a very primitive way, just like the idea of somehow understanding the big picture. We think in images. Otherwise we have no way of understanding. If someone tells you the name of something you don't know, you don't understand the word (try telling an 80-year-old the word internet or webcam.). The point is to see the lie. With the false story, etc.. Any lie already seen is the beginning of a program launched by conscience. It is already opening and freeing consciousness. The programs are arranged in layers, like an onion. They often show - the broken/divided consciousness - of Hollywood stars in video clips. In Antarctica it is forbidden to people because that is where the screening ends = the program is loaded to the limit.

It's not infinite. ☺ Let's see this as "space". And in Australia behind the fence the same. And in the Gobi desert. We see it as physical space here - but the projection has a space - carpet - this does not mean they are made physically - they are designed, virtual reality - a "designed/built" carpet in virtual space, which has limitations.

An AI program has a beginning and an end. If someone reaches Antarctica and the rest of the "physical spaces" designed by the program - that is, if they reach the edge - everything turns white and consciousness turns 360° and the person recovers from sleep/hypnosis. That's why it's banned. Conclusion: we are prisoners - we have been enslaved. "There was a war and we were occupied by a race of non-human parasites. Before the world was beautiful, there was no evil, all humans lived in PEACE like a big united family!" He says these phrases out loud and listens to the sensations in your body. Feel your heart, tell me what you perceive.

Emotion, some tears, someone feels goosebumps...etc

If you heard it is because you remembered, you remembered something... The consciousness has only been manipulated, made asleep, hypnotized, it does not mean that its memory has been taken away, just hidden under layers, veils of info with bull shet programs (like an onion). **Everything in our memory is blocked by programs that we believe to be true. We can all get out of their agendas if we learn to start analyzing.** THINKING WITH OUR HEAD. They manipulated everything simply because someone had your attention, because we all focused only where they want, that is, on MASS DISTRACTION with politics, news, oil, Satanists, rituals, horror, the climate, carbon, the killer virus etc... There is no wrong way to analyze.

It's good to look, observe, turn everything from one side to the other. If you have started to see the lie and analyze, it is because you had the strength to abandon your plans. If you're smart and you don't get caught up in the script anymore, they have no way to fool you anymore.

CONSCIENCE IS FREEING. The simulation does not "close", but we move on to the third which according to some is already ready to be launched. This is why many "anomalies" such as earthquakes, double rainbows, two suns and two moons etc... overlap the 2 old simulations we are in with the new one which is being launched. The simulation has 7 programs per layer.

The two go in parallel. The third is within them. But... ☹ they say you can't get out of the third. Anyone who thinks there is no rush, I don't want to scare you, but THIS PERIOD would be a bit decisive. However, it all depends on us. This is why everything is now upside down, a chaos pushed to the extremes. Biden falls down the stairs, talks to invisible people etc...

They tell us that we must eat worms and cockroaches, insist on the absurdity of sex change... and everything else - so that as many as possible can wake up. (!) Realize that it's not right, that such a thing cannot exist - that it's a nightmare, that it can't be real - start to think, wake up. When we wake up, we will wake up in the REAL world where we truly are with CONSCIOUSNESS, just as we wake up in our bed from a dream. It will no longer be "here" - this is a virtual simulation. Those who are selfish and want to go out on their own, leave others with their conscience caught in this trap - it is not possible. In the REAL world we are somehow connected, one. There is the union of hearts, of consciences.

But this, however, does not mean that everyone will get out of here... without effort no one can save you. Those who wait for saviors like GESARA-NESARA-GALACTIC FEDERATIONS are deluding themselves. There's no way you do nothing and THEY COME TO SAVE YOU. If you don't work hard, you don't go out. I know it sounds a little contradictory, but a tree doesn't die when its branches are cut. So, you wait in vain for someone to save you. This is what their programs put on you, precisely so that you don't do anything, to stay as they want - may God, Trump or other extraterrestrials save you. God doesn't come to you, you have to go to God.

THE PROGRAM – “I can't”

This Matrix is a copy of the original organic matrix, we were occupied 200 years ago. 99% of what we know is lies brought here by parasites to keep us sleeping slaves. Please watch the movies “LUCY”, “Person Unknown” and the series “Westworld” and you will see. In the films they show us the truth, obviously they put it in a twisted and distorted way so that we don't understand.

People don't understand that everything is completely different. Nothing is as we "know" because here we are "taught" only the useful program to keep us in I CAN'T. The Role of all the religions is to program the mass mentality into slave mode.

Every information inserted by the parasites is an algorithmic program (not words) that works powerfully and leads man to perdition-hypnosis.

This is why he is so well rooted in society, and this is precisely why everyone repeats it everywhere. This is how programming works.

If the man is a little bit woken up - right away someone comes and messes with his schedule, you know?

This belief that IT HAS ALWAYS BEEN LIKE THIS FOR THOUSANDS OF YEARS, that there have always existed PHARAOHS, kings, nobles and POWERFUL people who have done "many RESETs" is A MEGA LIE. !

And it's an extremely important topic! Let's analyze it.

What is its purpose?

To induce / program us that people have always been defenseless sheep, and something POWERFUL has always subjugated them, that such a reset has always been done to them, and then unconsciously it happens that you are convinced that from here there is no escape, that no there are ways out, that there is nothing to do and you accept!

Everything is subtly written in the unconscious.

Even if you shout that it isn't, you have been unconsciously framed.

All official HISTORY and SCIENCE - was written specifically to induce this agenda - that people have always been primitive and backward - and some tyrannical and retarded "kings" did what they wanted from the people - and the people always obeyed - because this is normal!

And you won't start "grimacing" now and disobeying - you have nowhere to go, it's always been like this, you have to swallow.

This is the most important and terrible unconscious program - that everyone has! As children!

If we don't remove this program it's difficult to remove the rest!

If we didn't have this program so strongly induced in our subconscious - we would remember our power....

This is why it is important to work to destroy-deprogram it.

All the information that is provided by parasites - they are not just words - are algorithms that program your consciousness in the subconscious (that is, you are not even aware of what program was put on you, you do not realize)

The movie Lucy shows how it works here

At a deep level we see that a man is not a body, neither legs nor hands.

Man is consciousness, which can be whatever form the dimensionality into which he has entered allows it. When it is a passage beyond the limits set by the mind, then the mind itself already controls reality. The same meaning is in the movie "Lucy". The nature of this reality is numbers. Either parasites control the game or man takes control.

There is no such thing as "artificial intelligence".

AI doesn't "think" for itself - it simply does some calculations and processes based on the algorithms you enter/create/set.

Absolutely everything the AI does is based on the information/algorithms you provide. It cannot do anything outside of these.

This is not "intelligence".

Since everything we create with our consciousness in this simulation is a projection of the real world where we are ETERNAL - cell phones and the web - it is the projection of real world telepathy.

Remote communication.

This is a parasitic fungus that enters the ant. It gradually kills the host/ant and takes control of its entire body.

It got into the brain and got so big. **This is what they do to us.**

We get all kinds of parasites through vaccines and food. (Among other on the astral planes and so on).

And they tell us that it is normal to have fungi and parasites in the body! **Many are no longer people, but bodies possessed by parasites.**

IMPORTANT:

— — —

What we call "astral" is made up of several levels (these are not really levels in human understanding).

The first is the smoke or fog of the illusions of the human mind. To get out of this foggy obsession you need **the keys**.

And here it is important to understand what the keys are.

Those in the astral call this place - "the world of keys".

Until the keys are collected, man will continue to be immersed in a deep narcotic sleep, the sleep of the soul. And parasites give us SOMA in the true world - is a drink that makes you fall asleep and stay on the program here.

When a human leaves here (as dying), he cannot do anything there because the keys can only be collected here.

What are the keys?

The Keys are, so to speak, fragments of Truth scattered everywhere. An example of keys: numbers, letters, planets, constellations, symbols, signs, they all show the same thing.

But by nature of division, a man does not see the whole picture, but he continues to walk on fragmented bits, which will never give him anything.

Furthermore, even when a man has begun to understand that all symbols and signs are somehow interconnected, then misperception or interpretation of him can trap him here again, because for each key-the meaning of him must be seen on more levels.

Many here are characters - they are BLANK SPACE.

Bots.

Ro-Bots.

TIME

→ "An entire lifetime here, in THE TRUE WORLD where we are is only an hour or even less. Beyond the veil, linear time does not exist!"

Only here in the matrix-simulation-reality game do we perceive time like this! It's also true that:

→ "when we sleep here and dream it seems like we are living a long experience and then maybe we wake up and realize that only 5 minutes have passed".

Absolutely so will happen the moment we all wake up there in the TRUE WORLD!

“The story of the holograms doesn't just happen since we've been talking about apparitions since Lourdes and perhaps even before.” Of course – here EVERYTHING – EVERYTHING – EVERYTHING is HOLOGRAMS. OUR BODIES ARE HOLOGRAMS, THINGS, EVERYTHING!!! Religions, miracles were invented by parasites. Put in the game here to keep the game. The more we get excited, the more they manage to keep us here in the game.

QUESTION:

When we wake up in the true world, will we "die" here in the simulation?

ANSWER:

When a film ends at the cinema, the screen is left blank, right?

The simulation will end, you will be left with a blank screen. We CONSCIENCES are not here, this reality is a transmission, like in the cinema, like 4D, 5D, except that it is 800,000D, let's say. ☺

You put the headphones over your eyes and see (feel) yourself as if you were inside the image.

HOW DID WE END UP IN THIS GAME?

By the deception of the parasites (read all the material again). They made us SIGN contracts.

Contracts must be cancelled, all of them, if you want to use the document file that I attach here, I did it. It is a symbolic act, but what matters is THE INTENT - where I cancel old contracts with churches and institutions. In reality you will see how much resistance the brain will make, you have to find a lot of energy to pronounce them, they must be said in a loud and decisive voice, not recited like a poem. But it is still better for everyone to cancel what they feel, what they have signed voluntarily or by deception (without their own agreement).

Why contracts must be RESILIZED.

We are in a simulation here and everything we see does not exist (it is a dream). It is a projection of what happens in the real world.

These are not the contracts in this simulation: they are a copy, a simulation, a representation of the true contracts, the ones we signed in the true world (where we are ALIVE) and agreed to enter this simulation.

And here when we are signing something, anything – it's completely different from what we think. They lie to us, our signatures here are not about the person here, but about the SOUL - OUR TRUE SELF. All documents.

While signing something or immediately afterwards say mentally:

▬"I cancel all hidden contracts, contained in this document; all hidden contracts placed on me through this document and my signature."

We no longer have to be afraid - that we have to sign something or other - we are still working here - you entered the games room, it's already time, play. Start to notice how often signature or consent is required (even on the internet) for any nonsense! If you noticed, it's already good!

You notice them: you're already out of the program! Stop sitting like a sheep and seeing nothing. At home in the evening you just delete them all. You always cancel anyway.

Do you think being scared or stressed helps? Instead, play their game.

IT'S GOOD TO CANCEL CONTRACTS often, not just once! You can use these lines:

"I cancel all contracts and agreements signed unknowingly.

I forbid the use of my power! I take back everything that was stolen from me!

I prohibit the manipulation and control of my character (body here) and the manipulation of my consciousness through illusion.

I prohibit my manipulation through other characters.

Only I have the right and want to control the character and I create in this illusion as I want and only what I want.

I forbid them to scare me and cause me fear or pain.

I prohibit the use and handling of soma and any other narcotic chemicals on myself. I forbid them to put me to sleep.

I forbid them from manipulating time in this reality.

I order the parasites to absolutely stop giving me any substance of any kind and leave me alone to wake up, that's what I've decided, I'm taking my power back!

This is my Will! I said!"

Here you can cancel, prohibit - but there in the true world your conscience is in a "sedated" state - what they tell it, it will do. **For this reason your conscience should be prohibited from doing business (contracts) with them**, and your conscience, who is sleeping, understands this too little. The continuous and constant cancellations with your voice-intent every day at 12 noon and midnight help you during your journey/return to you and when you wake up so you don't fall back to sleep.

Our body is a virtual PROJECTION of our CONSCIOUSNESS. They tell us that we are in a virtual computer game from all sides, but we don't understand, we are too programmed and CONVINCED THAT WE ARE BODY-MATTER...Blood contains about 80% plasma.

We don't "materialize" anything, here it is a simulation/illusion/virtual dream/projection.

The more you believe in matter - that is - that you are this physical body and how they programmed you - this name/number - it means that you have not woken up, you have not turned your attention to yourself, you do not remember who you are (you are the one who is sleeping now) but you believe you are this character - "body" - you believe what they told you here.

It's just each person's choice whether to wake up or not.

GREEN MILE film - watch the film, the giant is how we really are in our true human nature.

Waking up isn't pleasant, it's painful!

You don't know it on a conscious level, but you feel everyone's pain.

That's why it's hard on your soul for seemingly no good reason. That's why sometimes you want to scream and break the walls of tiredness and helplessness... Only when you realize that people are one, will you understand it.

YOU KNOW IT - but you don't realize it with the conscious part.

**It hurts your soul that others, strangers or neighbors, are suffering.
That's why it hurts you, even if others suffer.**

You just don't realize that we are one.

I - such a thing does not even exist at the soul level. That's why we don't even feel anything about "I".

Children in the first years of life do not understand what "me" means. Until they get it right in their heads.

We were all children - and in the early years we did not perceive/understand what "I" meant.

Everyone wants to "see" more, have "paranormal abilities" - but are you ready to feel the pain of everyone in the world? Are you aware of it and do you feel good?

Do you want something like this?

Well, know that not everything is as they make it out to be. And some people live with this pain their whole lives...We are one.

"Now it is clear to you that this is just nonsense, the product of an immature and absurd fantasy, incapable even of realizing its absurdity; that this is just a dream and can't be anything other than a dream.

How did you not see it before?

Everything I'm telling you is the truth!

There is no universe, no life, no humanity. It's all just a dream, a stupid complicated dream. There is nothing else but you. And you are but a thought, a wandering thought, an aimless thought, a homeless thought, lost in eternal space..." - Marc Twain
